

2018 Summer Junior League Registration Form

Junior Racing Overview

The X1 Boston Junior Racing League offers the best value in racing available today. Competing in identical karts on a variety of tracks with kids their own age, every junior racer is assured of a high level of competition. The Junior League is open to all X1 Boston Junior Competition License holders who have completed X1 Boston's Junior Novice Racing Academy.

Points Structure- Participants in the 2018 Junior League may enter as few or as many rounds as desired. If you want to compete for the season championship, you must attend a minimum of six (6) rounds. Only the best six rounds scored count towards the final championship positions. Racers not participating in the championship will continue to score points, but these points will not impact the championship positions. During each round of the league, competitors take part in one practice session and three races. Competitors will start races from the front, middle and rear sections of the grid. Race winners are awarded 10 points, second place 8 points with 6, 5, 4, 3, 2 and 1 point for third through eighth place respectively. Groups 1A Elite, 1A and 1B race winners are awarded 12 points, second place 10 points with 8, 6, 5, 4, 3, 2, 1 and 0 points for third through tenth place respectively. The driver achieving the fastest lap in each race will pick up an extra point.
